

“Santa’s Secret Shop” is coming to ASA!!!

Santa’s Secret Shop is an opportunity for ASA students to purchase Christmas gifts for their family members and friends on their own. It will be open on Monday, December 12th and Tuesday, December 13th at the Elementary ,and Wednesday, December 14th and Thursday, December 15th at the Middle School.

This is an optional opportunity and students do not have to participate. On the next page you will find a shopping list for your elementary student. The list only suggests those who they may wish to consider shopping for. They may shop for as few or as many people as you decide upon. If your elementary child is planning on participating, please complete the list and send it in with the money in an envelope or baggie marked with their name and “Santa’s Secret Shop”. This list is very beneficial to the volunteers who will guide them to gifts and keep them within their budget. If you would like to send a check you may make it out to ASA instead of sending cash. Elementary students will have a scheduled time to shop, middle school students will shop at the discretion of their individual teachers.

Gift prices range anywhere from \$1.00 to \$6.00.

Volunteer Elves are needed at both campuses to make this possible.

Help is needed in the “Shop” between 8:30am and 3:30pm Monday-Thursday to assist shoppers with purchases and to wrap presents. Much help is needed on Monday and Tuesday with the Preschool students at the Elementary. Please email Samantha Heckman at buyzesam@aquinas.edu if you are able to help anytime.
