

September 28, 2016

Dear Parents and Guardians,

You may have noticed we have added a few cones to the car lines to help prevent traffic from crossing paths. Please know we continue work to get all of our students packed quickly and out the door at the same time at the end of the day. From time to time unexpected delays do happen. We will continue address the causes for those delays in an attempt to keep everyone safe and on time. To help us keep all our students safe please consider the following:

- If the line starts to move and your student is not yet loaded please circle around and pick them up on the second loop.
- When the second loop rolls up move as far forward as possible.
- Please do not travel down the middle of the two lane or cross into the opposite lane of cars.
- Please remember the island is available if you need to park to come into school or if you have an appointment and need to leave our parking lot before 3:30. It is not a place to wait to pick up your student and try to beat the loop.
- Thanks for always being aware of where our students are and where the shuttle is as it travels through the parking lot.

The car loop diagram is attached to this message in case you want to review it. Thanks for continuing to work with us.

Reach out with questions at any time.

God bless,

Miss Abby Giroux | Principal

All Saints Academy | Middle School Campus

Our Community Partner of the week is:

Dale Gould Insurance

ASA Sponsors and Community Partners financially support All Saints Academy. Please patronize them whenever possible.

If you are picking up at the middle school:

- 1) Park in the red line if you exit at 4 Mile.
- 2) Park in the yellow line if you exit at Assumption to Elmdale.
- 3) First two cars stop at the end of the red and yellow arrows.
- 4) No cars move until all students are loaded. (Similar to the Elementary Campus.)
- 5) If you need to come into the school park in the island between the school and ball field (circled in green.)
