

September 6, 2016

Dear Parents and Guardians,

Eat Pray Run

Now that the holiday is past, please remember our upcoming Eat Pray Run event Sunday, September 25 at Riverside Park. Last Friday, your student(s) took home a registration form, a pledge envelope and a T-Shirt design contest form. If you need, more are available at each school office. The student whose T-Shirt design is chosen for this year's run will receive a \$25 gift card. The students who bring in the most pledge money and the most total pledges will each receive a \$500 tuition credit. We hope your entire family will join us for the outdoor Mass, the 5K run and the fun runs, as well as the picnic lunch with our ASA community. For more information, contact jmatlak@asagr.org.

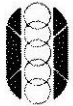

New Community Partner

We welcome another Community Partner to All Saints Academy. Frey Family Dentistry, a longtime supporter of ASA will donate 3% of any patient's paid balance back to our school. You can find a complete list of our Community Partners on our website, asagr.org. Just click on the Support ASA tab. Remember, the more you shop with our Partners, the more your students and our school will benefit. Please tell your family and friends, too!

God bless,

John Matlak
Director of Development

Our Community Partner of the week is:
Bastien Chiropractic, 616-363-2822

THOMAS R. BASTIEN, D.C.

ASA Sponsors and Community Partners financially support All Saints Academy. Please patronize them whenever possible.
