

September 15, 2016

Dear Parents and Guardians,

We are just over one week away from our annual Eat Pray Run at Riverside Park, on Sunday, September 25. Your students have brought home entry forms and pledge envelopes, and many of you have already responded. Thank you for that!

As we approach our event, we need more of you to collect pledge donations as soon as possible. At All Saints Academy, we DO NOT bombard our parents with monthly fundraising schemes. We have only two major fundraisers each school year, our EagleFest auction in November, and Eat Pray Run coming up on the 25th of this month. The funds you raise go directly back to our students, YOUR students, to provide a more complete educational experience.

Please have your students do their part in collecting pledges. The student who collects the MOST PLEDGES, and the student who collects the MOST PLEDGE MONEY will each receive a \$500 tuition credit. Students have until Monday, September 26 to return their pledge envelopes, and the money they raised. Help us provide our ASA students with the best Catholic Education Possible.

Thank you!

God bless,

John Matlak

Director of Development

Our Community Partner of the week is:

Carstar

ASA Sponsors and Community Partners financially support All Saints Academy. Please patronize them whenever possible.
