Dear Families of All Saints Academy Students,

ASA Garden Work Day

We don't have school Monday April 17th, BUT our garden partners from Urban Roots will be here to continue the work started by the 7th grade this week. If you are able to join us, and willing to get a little dirt on your hands, we will be working from 1:50pm to 2:50pm in the garden behind the middle school. Hope to see you there!

Save the Date - April 27th

You are invited to a [Design Thinking Showcase and a viewing of Screenagers](#) April 27th 5:00-8:00 pm at Aquinas College. Our 7th grade students will be sharing their work with design thinking and our Garden 2.0 project at this Diocese of Grand Rapids hosted event. Come learn about their work, and the design thinking initiative throughout the diocese. This is also a great opportunity to check out Screenagers if you weren't able to attend one of the previous screenings in the area. This FREE screening runs 6:00-7:30 pm, and is very valuable to parents. There is limited seating, so please reserve a seat using the link above.

Spring MAP Testing

Spring MAP testing is important so we can compare your child's progress with the test results from last fall. The bulk of the testing will take place April 24 through May 5, with make-up tests the following week. All testing sessions have been added to the [school calendar](#), simply click on the MAP Testing event for a breakdown of which grades are testing each day. There is also a breakdown by grade attached. Please consult this before making any appointments for your child. It is important that all students attend the testing sessions.

Fall Football Registrations

Fall football registrations are happening now! Our football athletes will be part of a Catholic United team and will play in a league against other schools in the area. [Please sign up here](#) right away if you will have a 5th-8th grade student in the fall, who is interested in playing football.

Sacred Heart Academy Presents the Music Man Jr.
