Dear Parent,

The Grand Rapids Public Schools district is happy to again make available the Grand Rapids Academic Summer Program for your child(ren) this summer. GRASP is a 9-week correspondence program in grades K – 8 which helps students maintain reading and math skills while they are on summer vacation. It should take you and your child approximately one hour per week to complete each weekly lesson.

We suggest parents order the level just completed. If there are extenuating circumstances, order the level that is appropriate for your child.

Lessons are completed, mailed to a scoring center where they are analyzed and then returned to you. Instruction sheets found in each packet provide all the necessary information. In addition to Grand Rapids Public School funds which support the program, an enrollment fee of \$20.00 for one subject or \$36.00 for both subjects is required. All materials will be sent home with the child the last week of school.

You may also select the online version of GRASP for students in 4th to 8th Grade. Be sure to give us an email address and we will send the password.
