Dear Parents and Guardians,

There is now an ASA mobile app, available through both the Google Play Store for Android devices, and App Store for Apple iOS devices. Simply search for All Saints Academy to find it in one of those stores. Our hope is that this app will put the school related information you need on a routine basis right at your fingertips on your mobile device. [Here is a video tour of the app](#), showing you all the features currently available. Feel free to send us your comments and suggestions about the app.

God bless,

Mr. Michael DeBri
Executive Director and Elementary Principal
