

CATHOLIC CENTRAL HIGH SCHOOL

Catholic Central High School challenges students to know and love God, seek knowledge and truth, respect the dignity of each person, and contribute to society through leadership and service.

February 1, 2018

Dear Diocesan Families,

Greetings! We seek to ensure a smooth and informed transition to Catholic Central High School for all students, including our exceptional learners. With that goal in mind, the Department of Student Support Services is hosting an informational meeting on our academic offerings and support systems on Tuesday, February 13, 2018 from 6:00-6:45 pm in our Student Center. Families of students in 5th-8th grade are welcome to attend. For the convenience of our 8th grade families, this meeting is scheduled the same evening as our Freshmen Orientation (7:00pm in Cathedral Square).

We will introduce you to our team, describe the various services offered at Catholic Central High School, explain the process for securing and accessing accommodations, and answer any questions you may have. Additionally, we will touch on diagnostic criteria and other documentation required for College Board approved accommodations for standardized testing.

Your participation is highly encouraged. If you are unable to attend this informational session and have a student with an accommodation plan, or a current medical diagnosis warranting an Accommodation Plan Agreement for Catholic Central High School, please contact Patty Joynt, Director of Student Support Services, at pattyjoynt@grcatholiccentral.org. Our team is committed to partnering with you in this important educational transition.

Sincerely,

Greg Deja
