Inclement Weather Bus Policy

Since many other suburban schools have initiated a two-hour delay for school on bad weather days, we have adopted our policy. We have also adjusted our policy regarding busing at the conclusion of the school day on bad weather days. The complete policy is stated below.

Situation/Condition

If your Public School District is closed in your area.

If your Public School District has a two-hour delay and Catholic Schools is on a regular schedule.

Catholic Schools have a two-hour delay.

Response/Policy

No Catholic Schools Transportation in the A.M or P.M. into the closed Public School District areas.

No Catholic Schools Transportation in the A.M. ONLY into the Public Schools District that are delayed.

Catholic Schools Transportation will begin transporting two hours after regular time.

Please bear in mind that the Catholic Schools Transportation have students from approximately 21 districts. Therefore, it is not possible to tie us to any one district. We also understand that while the roads may be passable here in the city, that may not be the case in district areas outside the city. Therefore, Catholic Schools Transportation will not transport in school districts that are closed or delayed due to bad weather.
