Dear Parents and Guardians,

Please fill out [this Google form](#) as soon as possible if you would like your family listed in this year's school directory. We will be printing the directory at the end of this week. In order to protect your privacy, if we do not receive the form back, your K-8 child and his/her teacher will be listed without other contact information. If we do not receive the form back and your child is in a toddler or preschool room, they will be listed on the class rosters page but not in the main directory section unless the Google form is completed. Thank you for your help with this.

God Bless,
