

January 29, 2018

Dear Parents and Guardians,

Enrollment for the 2018-2019 school year is now available for current parents. This includes all families at All Saints Academy, from toddler to current 7th graders. It is important, more than ever, for current families to enroll early, as waiting lists have formed for many of our classes.

Last Friday, you should have received the enrollment checklist. This will help guide you in terms of what needs to be done, and provides a timeline for our enrollment process.

To enroll, [please click here](#). This is the *Intent to Enroll* form that can also be found on our website under the "Quick Links" section.

It is important to understand that enrolling for summer child care is also a part of this process. If there are any questions, please feel free to reach out to the office staff, Beckie Patterson, or myself!

Thank you for entrusting the care of your child with us. Each and every student adds to our unique community in a special way. We are honored to partner with you as we work to educate each and every child and form saints to serve all.

We have celebrated our 10th school year in many ways this year. We are excited to begin another decade with you at ASA!

God Bless,

Mr. Michael Deбри
Executive Director/Elementary Principal
