

EMPOWERING COMMUNITIES TO ATTACK CHILDHOOD HUNGER

One in five children is affected by hunger in West Michigan.

Kids' Food Basket is a force for attacking childhood hunger, ensuring that lunch is not the last meal of the day for thousands of kids at dozens of schools in Grand Rapids, Muskegon and Holland. Sack Suppers are well-rounded evening meals that provide nutrition critical to the development of the brain and body.

4 WAYS YOU can join the attack!

Give at any level and make a big difference. Just **\$1 a day** provides a child with a nutritious evening meal she or he may otherwise go without.

Coordinate a Wish List Drive. Providing this level of nutrition to thousands of kids each weekday requires a lot of food and support from people like you.

Volunteer! It takes a lot of community support every day to prepare, pack, decorate and deliver meals that help kids learn and live well—we have lots of volunteer opportunities that are fun and rewarding!

Host a fundraiser. Coordinate a fundraiser with a business, school, or faith community and engage the local community to help kids thrive.
