Dear Parents and Guardians,

It's that time of year again to fill out the "Program Effectiveness Surveys" provided by the Office of Catholic Schools here in the Diocese of Grand Rapids. These surveys offer an opportunity for growth here at All Saints Academy as we use your feedback to improve school programming. This year is as important as ever to complete these surveys as we will be combining your feedback with our Accreditation Report to plan strategically for the future.

We appreciate any and all feedback. Please be honest and direct!

The link can be found [here](#).

This also happens to be the last "stamp" for many of you in your "K-8 Parent Passports." To earn this stamp, please print off or take a screen shot of the confirmation page and present it to either school office. Parents will have until May 25th to turn in their completed K-8 Parent Passports. Four (4) \$50 drawings will take place the last week of school for those who collected all of their stamps.

Thank you for being involved in your child's educational experience here at All Saints Academy!

God Bless,
