Where the Kids Are, That's Where the Predators Are

Young kids flock to certain gaming and social media platforms, like [Roblox](#) and [Musically](#). This is not lost on predators, who pay attention to these trends and also make their homes on these apps, using fake profiles to chat with and groom young children. Too many young people are using social media and they just aren't ready. Please read more about the risks [here](#).

What's the Right Age to Talk to My Kid About Pornography?

This is a common question received by our friends at Protect Young Eyes. Here are their responses: (1) If you wait until you're ready (mom and dad), it's too late, and (2) Your kid is ready before you are. In the digital age, it's important to talk through anything your kids might experience on the tablet before they experience it. Don't worry. Our friends at Protect Young Eyes have provided some [great tips for getting started with all the awkward conversations](#).

Snapchat just added Cosmo After Dark - A New Level of Inappropriate

Remember, there are almost no parental controls in Snapchat. There never have been. The Discover section has been a content mess from the beginning, which we've told parents about often. Have we forgotten how Snapchat started? As a social platform created by two college students who wanted to sext. [Read this Protect Young Eyes blog post for full details](#).
