Dear Elementary Parents and Guardians,

### **Mileage Club**

We have many students who have been working hard at recess time to complete their last few cards for mileage club. Many students have been concerned they will not have enough time to run in order to earn the trophy or medal they are aiming for. Since many students are close to their goal, we are extending mileage club through next week. Our last run day will be June 1. Parents are welcome to join us on Wednesday, June 6 for our awards ceremony following prayer at 8:15 am. We are very proud of the hard work of our runners and walkers!

### **Early Birds**

Our last day for Early Birds is this Friday, May 25. All students in the Early Bird program are welcome to join us in the computer lab at 7:40 am this Friday to celebrate all their hard work over the past school year.

God Bless,

Mr. Michael Debri
