

APPENDIX B-DRESS CODE

All Saints Academy Dress Code Grades K-8

The dress code will be in effect on the first day of school. All aspects of the dress code should be consistent with our mission statement and not be distracting or disruptive to the learning environment. Students are asked to use good judgment, maintain a cooperative attitude, and show concern for modesty and neatness. All uniform items should be in good condition, free from rips, holes, or large stains. If you have any concerns about whether an item meets the dress code, please check with the school office before removing the tags!

A skirt, sweater, or long shirt that goes past the fingertips must accompany the leggings. “Sunday Best” is a good rule of thumb for these days.

The dress code will be monitored and enforced. Administration will have the final decision on what is appropriate. Repeated violations will be addressed by the principal.
