SEPTEMBER 2025

AUGUST RECAP

3rd Grade Kickball

The incoming 3rd grade families had a great time playing kickball before school started this fall. We had a great turnout and played a few innings of kickball on the Upper Campus baseball field while we enjoyed a nice popsicle to keep us cool. This was a new event for Home and School to sponsor and we hope to continue this fun opportunity as students transition to a new campus.

Popsicles in the Park

Incoming Kindergarten families had a great time socializing at Aberdeen park while enjoying a popsicle treat. Students were able to meet new friends and connect with old ones. This event also gave parents an opportunity to ask questions and meet fellow parents.
