Winter Wonderland

Eaglefest 2026

A Dinner & Auction to Benefit
All Saints Academy

From the Principals

Welcome to Eaglefest 2026!

Even though we may not wish to be walking in a Michigan Winter Wonderland quite yet (or at least as we write this we hope we are not), we are thankful we are able to be here together to celebrate All Saints Academy with all of you! Tonight is a gift. It is a gift to be present with you all. A gift to embrace the company of old friends while creating new friendships and connections. It is the people who build this faith-filled school community that make ASA a gift to our families, students, parishes, and to northeast Grand Rapids. Thank you for blessing us with your presence tonight and for your generosity. Funds raised this evening are vital in our mission. Your giving tonight allows us to strengthen our partnership with our families, parishes, and communities as we work toward our shared purpose of forming saints to serve all.

May this event find your spirits high as you walk through ASA's winter wonderland. Whether this is an annual event in your calendar or you find yourself here for the first time, - welcome. Celebrate, eat, drink, laugh, and enjoy!

An event such as this does not happen without the support of many. A very special thank you to Amanda Cusack, our Eaglefest coordinator, and Susan Zarzecki, Eaglefest Chair whose leadership has brought tonight to us all. We also extend sincere gratitude to our Eaglefest committee members: Corie Alt, Xuan Bentley, Justine Bohan, Janet Hulett, Angela Mitchell, Alex Ritzenhein, Tim Stafford, Becky Swan, and Natalia Szczygiel. The sights, sounds, and merriment of this evening are made possible by their generous giving of time and talent.

With sincere hearts, we thank you for your support. Your dedication to Catholic education at All Saints Academy empowers our students so that they may celebrate faith, learning, loving and serving together with one another.

May your evening be merry and bright and may all your Christmases be white–or tropical. We'd be good with that too!

Welcome

Raise the Paddle

There is something extraordinary that happens when a child receives a Catholic education. Beyond academic achievement, students discover who they are as beloved children of God. They learn to serve others with compassion, lead with integrity, and live their faith with courage. Every day at All Saints Academy, we witness these moments of growth, and we are reminded that Catholic education is one of the greatest investments we can make in the future of our Church and our community.

Before ASA was even formed, families from our four founding parishes sacrificed to provide this gift for their children, and countless benefactors answered God's call to make that opportunity possible for others. Because of their generosity, thousands of students have experienced the lasting impact of a Catholic education on the northeast side of Grand Rapids.

We, too, are called to continue that legacy.

As the need for tuition assistance continues to grow, we are challenged to ensure that financial circumstances never prevent a family from choosing a Catholic education. Each year, more families seek assistance than our current resources can sustainably provide. While we are blessed with several established endowments and grant opportunities, we know that creating a stronger, more permanent foundation for tuition assistance is essential for the future of our school.

This past August, we launched a bold effort with a clear and prayerful vision: to strengthen our endowed funds by adding an additional $600,000 from our community. Matched by funds from All Saints Academy, this $1.2 million investment will significantly strengthen our endowment, expand opportunities for students in need, establish new legacy scholarship funds, and provide more reliable tuition assistance for families throughout our parish communities.

Tonight we raise the paddle for tuition assistance

ONE FINAL TIME

as we inch closer to $5,000,000 of endowed funds.

Thank you for your faith, your generosity, and your love for All Saints Academy. Together, we can ensure that every family who desires a Catholic education has the opportunity to receive one, and that the mission of All Saints Academy continues to flourish for generations yet to come.

Auction Procedures

Each individual or couple has been assigned a bid number. Your bid number can be found on your name tag. Bid paddles will be at your table in the Brophy Center for the Live Auction. Bid numbers will be used for all bidding and raffle purchases. You are responsible for all bids corresponding to your bid number. Any disputes or concerns regarding bid numbers should be reported to a staff member immediately.

Live Auction

The Live Auction will begin at 8:00 PM. To bid on a Live Auction item, raise your paddle high so that it is clearly visible to the auctioneer and the spotters posted throughout the room. Do not raise or wave your paddle unless you intend to bid on an item, as the auctioneer can easily mistake such movement for a valid bid. The highest bidder for each item wins!
