

2026-2027 ASA FINANCIAL AID APPLICATION FORM

Families must submit one paper form by February 13 to either school office.

The goal of All Saints Academy is to be able to provide a Catholic education for any family that desires it. As a way to alleviate this barrier for those who qualify, ASA has outlined the following steps for parents:

1. Complete this form by February 13 and turn it in to either school office.
2. Complete the [Blackbaud Financial Aid](#) application if not already completed.
3. You will receive your total financial aid package on March 27.
