

August 21, 2026

Dear ASA Families,

We pray the start of the new academic year has found your family well and filled with joy and excitement!

Friday, September 4 is ASA's first non-school day of the academic calendar year. Child care is available for those who sign up in advance in our toddler, preschool, and K-8 programs. Sign-up sheets are located in the hallway outside each of our early childhood classrooms as well as the Eagles and Saints Club rooms.

Sign-ups will close NEXT FRIDAY, August 28, 2026.

When considering signing up your child for child care on a non-school day during the academic school year, please note the following:

- All students-toddlers, preschool, school age-must be signed up on the sign in sheets in order to attend ASA's early childhood or child care programs on Friday, September 4.
- Due to the historically low number of students who attend child care the Friday before Labor Day, we anticipate having all toddlers in one classroom, all preschool students in another, and all K-8 students in the Saints Club for the day. That means your child may or may not be in his/her usual classroom and may not be familiar with the teaching assistants he/she is with for the day.
- **If you sign up your child for care on September 4 and you do not cancel their reservation on or before August 28, your child will be charged for the day on September 4.**
- If you arrive on September 4 and have not signed up, there may not be space for your child to attend. ASA will staff our child care program for September 4 according to the number of children signed up on August 28. Due to licensing requirements there are minimum staff to student ratios that must be adhered to. If there is space for your child to attend and your family has not registered for September 4 care, there will be an additional \$10 charge, as stated in ASA's child care handbook.
- School age students who sign up to attend must have completed the Saints/Eagles Club child care sign-up for the 2026-2027 school year in order to sign up to attend September 4.

We hope you and your family have enjoyed their first week of the 2026-2027 school year as faith, learning, loving, and serving have been celebrated while being in community with one another! If you should have any questions regarding care for your child on September 4 or any non-school day that falls within the school academic calendar year, please reach out to the LC office at 447-2997 or lcoffice@asagr.org.

Blessings,

Mrs. Beckie Patterson | Early Childhood and Child Care Director
