Dear Parents,

Attached, you will find exciting news from our food service provider, West Catholic High School. Please read it for important details about the program. In short, All Saints Academy has been approved to participate in the Michigan School Meals program. Beginning October 1, 2026, breakfast and lunch will be available at no cost to students through the Michigan School Meals program, while funding lasts.

This program extends only to students over age 3 and enrolled in preschool or K-8. Normal lunch rates will apply for those in our toddler program.

**It is also important to know that lunch balances must be paid (no negative accounts) before we can move forward with the Michigan Meals Program.** You can check your balance in [Infinite Campus](#). Select Food Service from the left menu, and the current balance for each of your students will display on the right.
