Dear ASA Families,

As we enter the season of inclement weather, we wanted to take the time to inform you of the policies and procedures All Saints Academy (ASA) and the Diocese of Grand Rapids (DOGR) have in place to keep your child safe. School day cancellation decisions, whether it be for snow/ice accumulation or cold temperatures, are made by the Superintendent of Catholic Schools, Sarah Grey. We cannot close ASA unless a situation occurs that is building-specific. An example of this would be the loss of power or a broken boiler. In the event that one campus closes for any of the reasons above, the other campus will close as well.

When school is canceled, we will receive a text from the DOGR immediately after the decision is made. This call may be the night before school, or in the morning the day of. Typically, a call will be made before 7:00 a.m. When we receive the alert, we will begin to notify all of you as quickly as possible through our own communication channels. To ensure effective and efficient communication, the following steps will take place:

- Send email messages, text alerts, and voice calls through Infinite Campus.
- Send notifications through the ASA App.
- Update the school website and social media sites.

Local news outlets will also be notified; however, due to significant delays and varying procedures and standards, families and staff should not rely on local television as their only source of information regarding school closures.

Child care will be available at the Lower Campus on snow days for families who have signed up for snow day care, unless otherwise communicated. The sign up form is located here. ASA reserves the right to close child care or adjust the hours of operation on snow days if we feel travel to and from school will jeopardize the safety of child care families and/or staff.

Student safety remains our highest priority. If school is not delayed or canceled, or evening events continue as planned during inclement weather, please use your own judgment to make the best decision for your family. Your child will certainly not be penalized under these circumstances.

When school is closed, please look for information regarding evening events.

Please pay close attention to your inboxes and school sites during these times of inclement weather.

Blessings,

Mrs. Megan Schneider | Lower Campus Principal
All Saints Academy | Lower Campus at Diamond
