

2026 STUDENT FUNDRAISER

We believe we are one,

Our annual fundraiser looks a little different this year!

Instead of our traditional raffle ticket fundraiser, we're excited to invite our community to support All Saints Academy through direct donations.

we can all grow,

Your generosity helps provide valuable resources and opportunities for our students, supports our teachers and classrooms, and strengthens our community.

*creativity & innovation
promote success,*

Every donation, big or small, makes a difference, and together, we can make a meaningful impact!

We are counting on your support to make this year's fundraiser a success.

*and all things are
possible through Christ*

We know the sacrifices you make to afford tuition and understand the burdens of all the "extras." This fundraiser helps eliminate those "extras."

WHAT TO KNOW

At ASA, you will not find other fees like technology or pay-to-play athletics. Our spirit wear is not marked up. Tickets to Gold or Whitecaps games to see our band perform are priced at cost.

Why direct donations this year?

These direct donations allow almost every dollar given to go directly toward supporting the school, without the costs and logistics that come with selling products. They also give families the flexibility to contribute whatever amount works best for them while allowing the school to use the funds where they are needed most.

What are the funds used for?

The money raised through direct donations and through our Eaglefest auction directly impacts our programming and allows us to continue to provide the excellent faith-based education that you have come to know at All Saints Academy.

How does direct donate work?

Our school partners with Teamfi, a local fundraising software company, to create our fundraiser and provide families with a link to get started. Families simply share the contact information of friends and family members who may want to support our school. Teamfi does the rest—sending up to four friendly messages with an easy link to donate online. There is no need to collect cash or checks or make repeated asks yourself! Once the fundraiser wraps up, Teamfi sends All Saints Academy a check for the total amount raised.
