

## Saints & Eagles Club Registration

Do you need before or after school child care for your K-8 student for this upcoming school year? If you are anticipating child care needs before or after school hours or on scheduled days off, please complete this form by August 7th.

If your student is at the Upper Campus and will be riding the shuttle bus for child care services, you must complete the [shuttle bus form](#).

## Shuttle Bus Registration

All Saints Academy provides a shuttle bus service free of charge to families, providing a connection between our two campuses. With the high demand for our after-school child care and larger classes at the Upper Campus, priority for the after-school shuttle is given to those students who are either attending after-school child care (Eagles Club) or walking home from the Lower Campus.

**Shuttle Bus Registration**

Due to the need for some families to pick up their children at the end of the school day from each campus, the dismissal times are staggered, with the Lower Campus dismissing prior to the Upper Campus. We encourage families to pick up their children from the Lower Campus first and make their way to the Upper Campus. Many families have, and continue to follow this pick-up plan, and they have found it to be the most successful. Understanding that the staggered times may not be enough time for parents to get from the Lower to the Upper Campus, the Upper Campus staff will wait with students until they are picked up.

When signing up for the shuttle bus, please indicate which days of the week your child(ren) will be using the shuttle bus to help ensure availability. If your child's schedule changes after you complete this form, please contact either office so your child's schedule can be updated. Please note that if your child is signed up for the GRCSS busing services, there is no need to complete the shuttle bus registration form.

Please reach out to [acusack@asagr.org](mailto:acusack@asagr.org) with any questions you may have regarding the shuttle or the form. We hope your children are enjoying their summer and are eagerly awaiting the upcoming new school year!
